Hayward Gallery

Entertain your guests this summer with a reception and private view of our highly anticipated blockbuster exhibition: Anish Kapoor.

Returning to The Hayward Gallery nearly thirty years after his first UK retrospective, Kapoor continues his profound exploration of perceptual illusion. Immerse your guests in monumental works that push the boundaries of form, all framed by the gallery's iconic brutalist architecture. A private view offers a rare opportunity to experience Kapoor's career-defining masterpieces alongside large-scale, newly commissioned pieces—creating a prestigious and truly unforgettable event.
