## **When Forms Come Alive**

SOCIAL STORY

RELAXED HOURS

Tuesday 26th March 2024

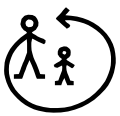

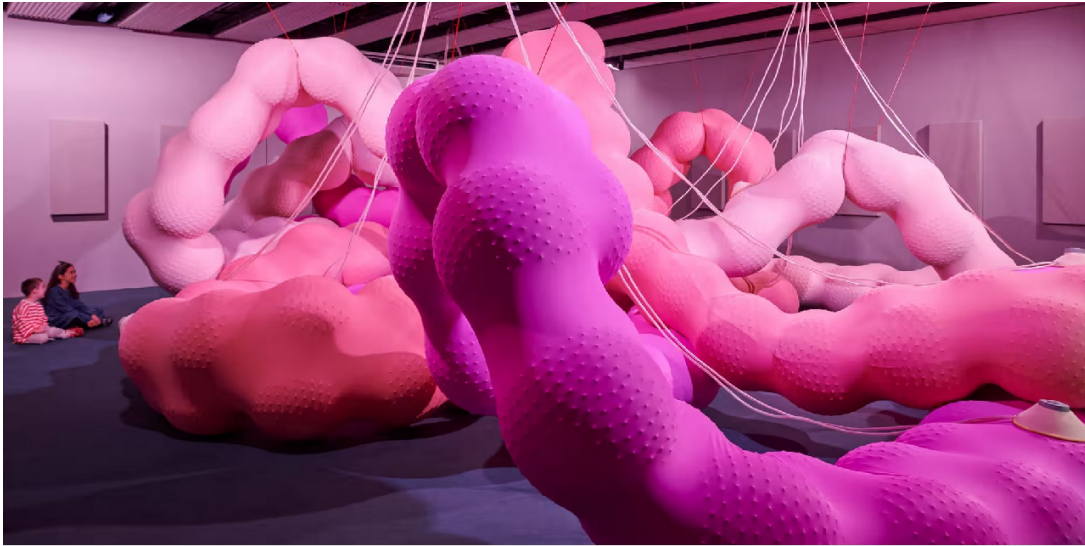

HAYWARD  
GALLERY

On Tuesday 26th March, we are going to

the Hayward Gallery for Relaxed Hours.

We will look at an amazing exhibition of

sculpture.

There will be time to play, create and

**2**

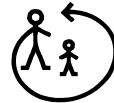

reflect. There will be two different creative,

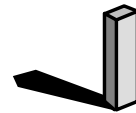

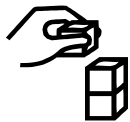

hands-on workshops, and a calm,

chill-out space.

In Georgia Akbar's workshop, we can

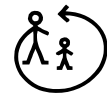

build tower structures and create shadows. We

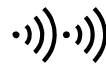

can explore materials and make a sculpture

together.

In Fernanda Muñoz-Newsome's workshop, we

can create movements to sounds and

spend time with artworks moving on the ceiling.

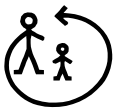

The chill-out space is a place I can be

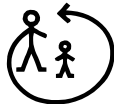

be calm and relax.

	Please do not touch
	Photography is allowed with no flash
	No food or drink in the galleries

We can go on a tour of the

exhibition. We can look, but NOT touch.

These are the rules when we are in the

gallery.

,

But

if

I

see

an object

on a

stool,

I

can

touch and explore it.

We can have a drink or snack in the

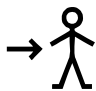

cafe.

  
 If I need help, I can ask

  
 someone wearing a blue T-Shirt. I can

  
 use Makaton signs.

We are going to have a fun day at the

Hayward Gallery!
