PERTH FESTIVAL

**SOUTHBANK
CENTRE**

Has there ever been a more exciting time of change for girls and women? There's so much to celebrate and so much to improve and it needs everyone to be involved.

I founded *WOW* - Women of the World Festivals in 2010 because I felt we needed a place to get together, to talk and discuss in a spirited, frank and inclusive way all the barriers and possible solutions to achieving a gender equal world and also create an understanding of the intersections that further divide us.

WOW Perth 2018 is our 50th festival, and we're proud to celebrate this with the people of Perthshire and beyond. Scotland has been a major force for women's empowerment and it's important that the conversations, awareness and activism that *WOW* facilitates take place in smaller communities as well as major cities.

We are excited to be building on nearly a decade of *WOW* working as a conduit for change and so after 12 incredible years as Artistic Director of the Southbank Centre I have left to establish The *WOW* Foundation. This will exist as an independent charity working with national and international partners to build upon and further the work that *WOW* festivals have begun.

WOW is now in over 15 countries across 5 continents. Two million women are a part of the *WOW* movement, which grows daily - you can see our global map of festivals on p.19 in this programme. Men and boys are an important part of *WOW* - we all benefit from a gender equal world.

WOW Perth is a festival - not a conference or a symposium - because we want to attract and celebrate women and girls from all walks of life. Despite the gravity and seriousness of the issues that hold us back, we aim to build a place of warmth, shared respect and fun.

Now in it's second year, *WOW* Perth has been led by the incredible Lou Brodie who has worked with the whole community to create this thoughtful, generous and rigorous programme where there exists a platform for so many different voices. I'm looking forward to an inspiring weekend filled with celebration and debate and having conversations with lots of amazing women.

**WOW* Festivals are presented by arrangement with Southbank Centre

Welcome

I'm so delighted and proud to share with you the programme for our second edition of *WOW* Perth hosted in the beautifully restored Perth Theatre - a venue whose history is steeped with the stories of badass women.

In the year since we presented our first festival there have been some significant shifts in the fight for gender equality. No longer an urban centric conversation, gender equality is being discussed across Scotland's rich landscape and now more than ever we must push forward. Perth is uniquely placed to bring people together and foster this dialogue as we celebrate the amazing women leading the way locally, having difficult and important conversations and making change happen.

Diversity and inclusivity stand front and centre at *WOW*. The festival aims to inspire debate as well as positive change. It is a call to action not just of the head but of the heart also. Join us for a weekend of thoughtful, emotional and practical enrichment, and for dancing, laughing and talking to people from all corners of our community. The festival is a space for you to connect with those you may not have met before, to ask the questions you've been dying to ask and take risks. Bring a friend, colleague or family member who needs to join this vital and urgent conversation. *WOW* Perth 2018 is for everyone and celebrates all those who identify as women, girls and non-binary, and the men and boys who support them.

I would like to take the time to say thanks to the people who support *WOW* Perth: Nicki and the team at The Red String Agency, Becca our fantastic *WOW* facilitator, all of the team at Horsecross Arts especially Anna Beedham and Michael Heasman, our truly brilliant volunteers and *WOW*sers, all the organisations and individuals who have taken the time to meet with me and offered their resources and support and of course, a huge thanks to all those who joined for this years Thinkins and helped shape the festival.

We can't wait to welcome everyone to this year's festival!

Louise Brodie,
***WOW* Perth Programmer**

THE *WOW* FOUNDATION

The *WOW* Foundation is currently in the process of applying for charitable status. The Foundation will grow the *WOW* global movement towards gender equality through festivals, leadership and education programmes, advocacy and celebration. Crèche places are free for day and weekend pass holders.

WOW Volunteers

The *WOW* volunteers are on hand all weekend to welcome you to the festival, answer queries, offer help and share information about the festival programme. When you see them, be sure to say hello!

WOWsers

The *WOWsers* are young people aged 14-18 working together in the lead-up to the festival to create a piece of work to be showcased at *WOW* Perth 2018. They are also speaking on various panels throughout the weekend, ensuring that the voices, opinions and interests of Perth's young people are represented.

Shop, Eat and Drink

Festival venue Perth Theatre Café and Bar is the perfect place to meet, eat and catch up with *WOW* friends. Take advantage of one of our festival deals or choose from one of the many eateries on our doorstep.

WOW Partner Venue

Horsecross Arts is excited to be partnering with Southbank Centre to bring Scotland's only *WOW* Festival to Perth. The creative organisation behind Perth Concert Hall and Perth Theatre, Horsecross Arts runs a programme ranging from classical to comedy, theatre to trad music, family shows to festivals, contemporary art to community activities - there is always something going on!

Situated in the heart of the city, Perth Concert Hall has some of the finest acoustics in Europe and light and airy public places. Just up the road, the restored and redeveloped Perth Theatre combines a historic Edwardian auditorium with modern performance spaces and welcoming public areas. At the centre of cultural life in Perthshire, Perth Concert Hall and Perth Theatre are a destination and a resource for everyone.

Equality.

Intersectionality in Action

"I am not free while any woman is unfree, even when her shackles are very different from my own."

Audre Lorde

Many women are held back not just by their gender. As a predominantly white, able bodied society how do we make sure our own personal fight and Scotland's fight for gender equality is truly intersectional? Our panel including Director of Equate Scotland and founder of Women 50/50 **Talat Yaqoob**, Activist **Mina Baird** and local Outreach Officer **Samaira Ali** will discuss how they are putting intersectionality into practice as they place issues like race, class, sexuality and disability front and centre in their fight against sexism.

FUNDED BY SPIRIT OF 2012

Spirit of 2012 is a funding charity, established with a £47m endowment from the Big Lottery Fund. It funds partners across the UK that provide opportunities in sports, physical activity, arts and culture, volunteering and social action. Spirit was founded to continue and recreate the spirit of pride, positivity and social connectedness that people experienced during the London 2012 Games. They invest to create good outcomes for people and communities and have invested over £25 million into community projects in over 100 locations across the UK, benefiting more than 1 million people.

WOW SPIRIT

SOUTHBANK CENTRE

WOW Spirit is delivering nine WOW festivals in five cities across the UK (one in 2016, three in 2017 and five in 2018). It's a Southbank Centre initiative funded by Spirit of 2012. WOW Spirit is targeting areas where a lack of cultural infrastructure, limited access to resources and restricted opportunities for female leaders can be barriers to community cohesion. Each festival is based on ideas raised at a series of planning sessions called 'Thinkins'. Everyone can come to these to share their ideas and suggestions and make sure that WOW looks at important local issues.

Building new festivals across the UK allows women, men, girls and boys (including some of the most marginalised voices in society) to get actively involved in their local communities. As programmers, volunteers and participants, they can help create a fairer, happier society.
