Getting to and from New Year's Eve Spectacular

The Southbank Centre site closes at 3pm on Saturday 31 December. It reopens at 6.30pm for Golden Dining and Silver Dining Spectacular ticket holders, and 7pm for other NYE Spectacular and Roof Garden Spectacular ticket holders (including those with street food included).

Travel to Southwark Underground station and follow the Blue route (see map below) to our site, or travel to Waterloo Underground station and walk to the site via Cornwall Road and follow the Orange route (no access via Concert Hall Approach). Most local bridges crossing the Thames will be closed.

Roads around the immediate area are closed from 5pm and do not reopen until around 4am, so please do not drive to the site.

Please allow plenty of time for your arrival as we expect the area to be heavily congested with footfall and there is no guarantee you will be able to enter our site after 8pm, due to cordons that are in place for the London New Year's Eve fireworks. No refunds will be given.

Upon arrival it is likely you will need to wait a while in the queue outside, so make sure you wrap up warm! There will be a cloakroom available once you're inside.

Bookers with access requirements can enter via Concert Hall Approach, follow the Green route (see map below) and should make themselves known to the team when they arrive at the queue.

We also have a quiet space available on Level 6 of the Royal Festival Hall throughout the night.

For up-to-date travel information, please check the London New Year's Eve fireworks information page. [Find out more at this link](#)

We advise you not to leave *New Year's Eve Spectacular* until after 12.30am, as the area will be highly congested with people watching the fireworks. *New Year's Eve Spectacular* finishes at 2.30am.

Waterloo station is also likely to be extremely busy before and after midnight, with long queues expected. If possible, please use alternative stations.

All ticket holders

You will not be able to enter the Southbank Centre's local area without a ticket – an e-ticket, paper ticket or a printout of your e-ticket. There will be ticket checks along the Orange and Blue routes (see map below) where you need to show your ticket. When you reach our site, please make sure you enter via the gate specified on your ticket.

In line with the London New Year's Eve fireworks, the Southbank Centre has special security procedures in place for the duration of the event, for the safety of our visitors. These include mandatory bag searches.

Food and drink bought off the premises may not be taken onto the Southbank Centre site and will be confiscated.

On arrival, all ticket holders are given event information, a drinks token for your free glass of fizz and a wristband.

This wristband identifies the access you will have around the site and what type of dining you have (where applicable). For visitors whose ticket includes street-food dining, your wristband will be marked once you've used it to claim your food.

The wristband you are given is also unique to the area where you can watch the fireworks. All fireworks viewing areas are open from 11.30pm – 12.30am.*

If you are a Roof Garden Spectacular ticket holder and require step-free access, please contact us at hello@southbankcentre.co.uk

Food and drink is available to purchase throughout the building all night. All drinks are served in recyclable cups, the majority of which are made from plant-based materials.**

Please note we are a cash-free venue.

If you are a Member, please bring your Membership card with you to allow yourself and one other into the Members' Lounge.

And don't forget to dress to impress!

SOUTHBANK CENTRE

Golden and Silver Dining Spectacular ticket holders

You may enter the site from 6.30pm and should be seated by 7.15pm, ready for dinner to be served at 7.30pm.

There is one sitting. If you are not seated by 7.30pm, we cannot guarantee that you will be served all five courses.

You have use of your table all night. Tables are pre-allocated and we cannot make changes on the night.

*Please note that access to outside areas to view the fireworks is not guaranteed and may be limited due to weather conditions. This decision is under the direction of Identity and the Greater London Authority and is not under the control of the Southbank Centre or its staff.

**All our cups, lids, plates and cutlery are fully recyclable and where possible made from natural or recycled materials to further reduce our environmental impact. We also recycle all cans, glass and single-use plastic bottles used across the site.
