Thursday 13th July 2023

**HAYWARD  
GALLERY**

On Thursday, we are going to the

Hayward Gallery for the Dear Earth exhibition.

We

will look at

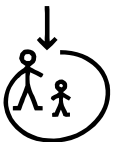

beautiful

art

to help

us

think

about

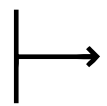

our

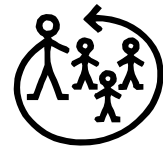

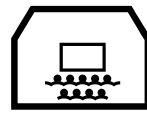

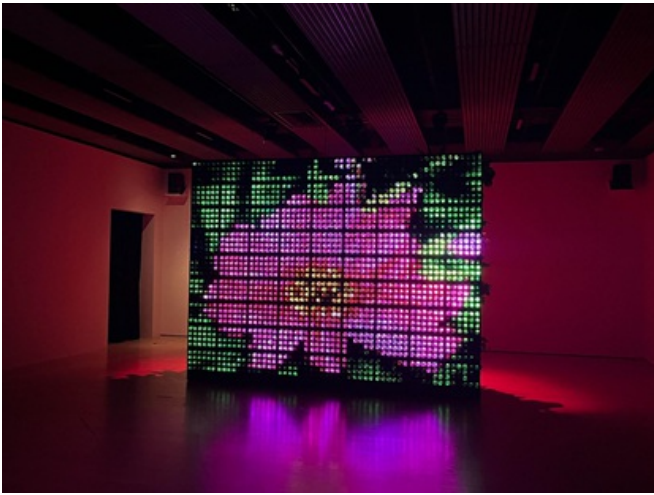

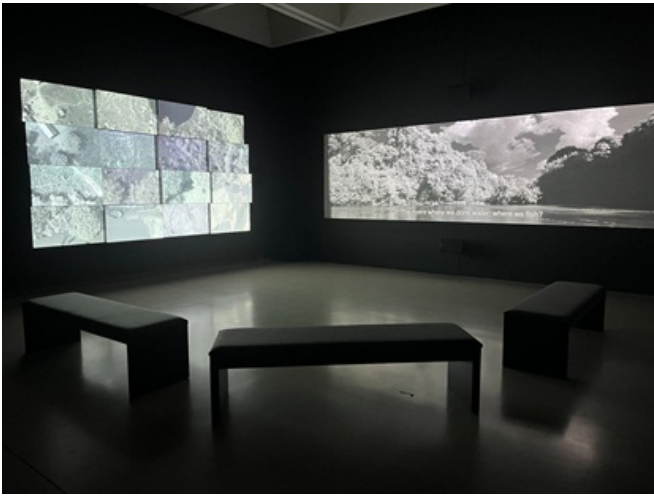

world

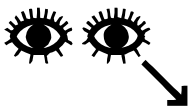

and its

future.

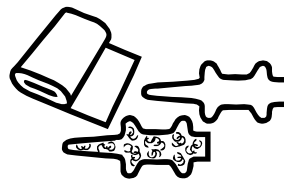

Some of the artworks are films that we can

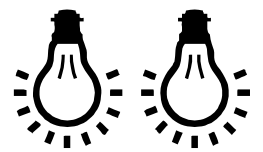

watch.

Some artworks use

textiles,

lights,

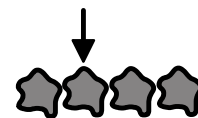

plants,

water,

branches

or other objects.

	<p>Please do not touch</p>
	<p>Photography is allowed with no flash</p>
	<p>No food or drink in the galleries</p>

We can look, but NOT touch. These are

the rules when we are in the gallery.

,

But

if

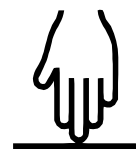

I

see

an object

on a

h

stool,

I

can

touch and explore

it.

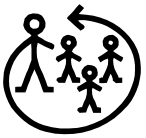

If I need help, I can ask

someone wearing a blue T-Shirt and yellow

lanyard. I can use Makaton signs.

We

can

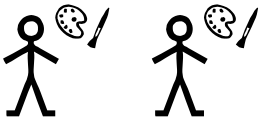

go

outside

to the Studio.

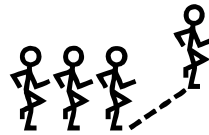

Artists

outside

will

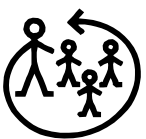

lead us

in

fun workshops.

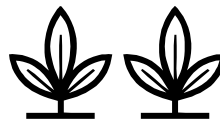

We

can

make tea

from

plants,

create

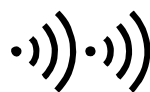

a

water catcher,

collect

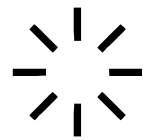

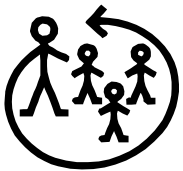

sounds

and

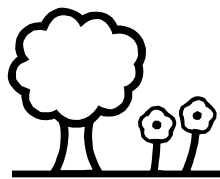

explore clay and soil.

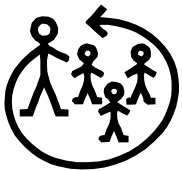

We can go to the beautiful

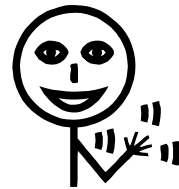

rooftop garden.

We

are going to have a

fun

day

at the Hayward Gallery!
