

Burnt Out In Biscuit Land – COVID Safety Information

The following COVID related access provisions will be in place for every performance of Burnt Out In Biscuit Land:

- **The Performance Space:** Seating availability will be lower level than normal for the venue to help maintain social distancing. There will be a clear access route in and out of the main performance space. Photos of the performance space will be made available on the booking page in advance of the performance.
- **Cleaning:** The main performance space will be cleaned before the audience arrives.
- **Seating:** A range of different seating options will be available, including foam flooring, mats, beanbags, and chairs. Some socially distanced seating options will also be available. Please contact us if this is something you require.
- **Non-Physical Participation:** The entire show will be available for livestreaming at home. In-person audience members will be invited to switch to this option if they are unwell on the day, to help protect others.
- **Mask Wearing:** Mask wearing won't be enforced at the performance, but we will provide free masks for anyone who would like one.
- **Staffing:** Staff or volunteers due to work on this performance will not do so if they feel unwell.
